Summary

Mathematics PhD student pursuing a career on sustainability and environmental causes. Experienced in scientific research, teaching, data analysis and sales. Multilingual and communicative, with strong sportive and artistic skills. Empathic, adaptive and reliable.

Work Experience

Employee *Miyam, Paris.* *Aug 2026 - Present*

- Responsible for sales, inventory tracking and good appearance of the store.
- Teamwork in a dynamic environment with strong human contact.

Instructor *PUC-Rio.* *March 2024 - Dec 2024*

- Modeling and Programming — Undergraduate course (Engineering), 2 classes of 40 hours each.

Risk Analyst Intern *RJ+ Asset.* *May 2023 - Aug 2023*

- Developed algorithms for risk management, automating the computation of Value at Risk (VaR) for portfolio optimization using Python and Excel.

Software Engineer Intern *Jan 2021 – Aug 2022*
Fundação COPPETEC, Federal University of Rio de Janeiro.

- Member of an AI project for the State Public Defender's Office, Rio de Janeiro.
- Management of large datasets, development of algorithms and meetings with clients.
- The project made significant contributions to the work of public defenders in Rio de Janeiro.

Education

PhD in Mathematics *PUC-Rio.* *2024 – Present*

- **Research topic:** Integrable systems, Poisson geometry.

Master's degree in Mathematics *PUC-Rio.* *2021 – 2024*

- **Scholarship:** *Coordenação de Aperfeiçoamento de Pessoal de Nível Superior (CAPES).*
- **Thesis:** Recovery of Jacobi matrices from spectral data - Creation and development of numerical algorithms.

Bachelor's degree in Mathematics *PUC-Rio.* *2018 – 2021*

- **Teaching Assistant** Calculus, Linear Algebra and Differential Equations.

Other skills and experiences

- **Languages:** Portuguese (Native), English (Fluent), French (Level B2 - Intermediate).
- **Volunteering:** *CDD SKATE ARTE* - Skateboarding lessons for children from favela Cidade de Deus.
- **Technical skills:** Solid knowledge on Quantum Computing, Statistics, Machine Learning and using Artificial Intelligence. Comfortable with Python, SQL, HTML, CSS, JavaScript, Excel, GitHub, etc.
- **Soft Skills:** Passionate and curious, good at speaking in public.
- **Hobbies:** Photography and Sailing.
- **Driving License:** Category B.
